## CCA Helps the Needy

Volume 2, Issue 18

Jan 10, 2012

Here is an open letter to the students at CCA:

Thank you for your recent donation of various products to Ministry & More. The total weight was just at 348 lbs.! Ministry & More is a local food pantry that seeks to provide food and spiritual care to those in our community. We rely on the charitable gifts of churches, schools, and individuals to assist us in meeting the needs of those we serve.

We ask that you please continue in prayer for Ministry & More, our volunteers, and the individuals we serve.

Thank you again for your continued support and have a blessed New Year.

In His Service,  
Alan McLaughlin

## Why do we celebrate MLK Day?

On the third Monday of January people in the U.S. celebrate Martin Luther King Jr. Day to remember one of the great heroes of the Civil Rights Movement. King was assassinated on April 4, 1968. Shortly after the day that he died people asked the federal government to create a national holiday in his honor. The federal government initially refused to make King's birthday a holiday. In 1970 some states and cities began to commemorate January 15th, his birthday, as a holiday. Finally, in 1983 the federal government made the third Monday of January a national holiday. The first Martin Luther King Jr. Day was commemorated in 1986.

Why do we commemorate Martin Luther King Jr. Day? We celebrate Martin Luther King Jr. Day to remember King and to honor his memory. He spoke out against segregation, discrimination, and hate. Also, he stood up for African-American and poor people. We should remember that there still is discrimination, hate, and poverty in our society today.

## Handbook Corner

### CURRENT STUDENT ENROLLMENT

At the beginning of the second semester, CCA will announce the opening of registration for the following school year. Parents of current CCA students will have advance time to complete registration forms and submit them with re-enrollment fees to the office. After this, registration will be opened to the general public, and openings will be filled in each grade on a first come, first serve basis. Each year all forms must be updated to complete the registration process. Parents will be notified if there is a problem with re-enrolling their child because of academic, attitude, or disciplinary problems.
