Teacher Spotlight

Mrs. Andrea While teaches English/Literature in the junior and senior high at Calvary.

She was born and raised in Napoleon, OH. Andrea discovered her love for literature her junior year of high school. Throughout high school, Mrs. While was involved in numerous extra-curricular activities such as: band (clarinet), art, student council representative, National Honor Society, and French club president.

Andrea was raised in a Christian home. She always knew the Lord, but never really formed a strong relationship with God until she turned twenty-five and moved to Illinois. The Whiles have four children in CCA: Hannah, Jonah, Jonathan, and Noah.

Mrs. While has been a part-time teacher at Calvary for four years. This is her first year full-time. Fun facts: Favorite food...M&Ms, favorite Christian artist...Chris Tomlin, dream vacation...Hawaii, favorite authors...Edgar A. Poe and Sylvia Plath.

Handbook Corner

If for any reason you need to contact the school office, make sure and call the school at 452-7912. Do not call the church office.

Varsity Soccer

This past week the varsity soccer team hosted Mt. Pulaski high school for the first time. The Knights won the game 2-1 (highlights on the school's website). What was significant was what happened after the game. Both coaches came together and decided to have a word of prayer. It was great to see the sportsmanship of both teams and a public and private school praying together.

JUNIOR CARNIVAL

September 23, 2011
5:00 pm to 9:00 pm

Come enjoy a night of food, games and lots of fun!

Chapel Corner

This past week in the elementary chapel the students had a special visitor, Matt Bursack (see above). Matt is a Normal fireman. Mr. Bursack is also the husband of Tia (1st grade CCA teacher) and a CCA parent. Matt spoke to the children on the importance of obeying authority. He also showed a video of a local fire he had to put out.

The junior/senior high had a combined chapel in the auditorium. September is Missions Month at Calvary Baptist Church. Bob & Chrissy Archibald (see right) are missionaries to Bangladesh. They spoke to the students about what it is like in Bangladesh and what they do in that country. The Archibald's have 2 children who are attending CCA while they are back from the field, Ben (7th) and Alyssa (9th). Bob and Chrissy are both graduates of CCA. Welcome home!
