“It’s Christmas Everywhere”

The Music Department of Calvary Christian Academy invites everyone to their Elementary Christmas program on Thursday, December 15th at 7:00pm in the Church Auditorium. The students have been working hard on this year’s program.

The program will feature the K3 thru 6th grade students and it is entitled “It’s Christmas Everywhere!” This multicultural delight is an around-the-world celebration of Christmas, exploring carols and traditions from Germany, Japan, Australia, Africa, Mexico, Canada, and Spain.

Did you know?

Calvary Christian Academy is one of the few schools in the US who has all of their varsity boys basketball games online. Usually by the next day, anyone can go on www.ccanormal.org/athletics and watch the game in its entirety. This is a great feature for parents and family members who can’t attend the games.

You can also find a few games for all the other teams online as well. Check it out!

Teacher Spotlight

Dec 21st
last day
til Christmas break

This week's spotlight is not on a specific individual teacher, but it is on a group of individuals who the teachers can't function without, the Teacher's Aide.

Calvary Christian Academy is blessed to have 5 teacher's aides who assist in the classrooms:

Shelly Albee-K3
Kathy King-K4
Jean Sutton-K4
Glennie Wingate-K5
Carrie Phillips-4th

This role is very important especially in the younger grades of the elementary. We appreciate all the unnoticed work our Aides do every day. Thank you!

Automobile Guidelines

Driving a car to school is a privilege that will be granted as long as all guidelines are carefully followed. Students who drive to school should register their car in the school office at the beginning of each school year. A student must drive slowly and properly at all times in CCA's parking lot and must park properly in the designated area. No student is to go to any car during the school day without permission from the office or a teacher.

Thank You

The members of the high school Home Economics class had the opportunity to do most of the decorating for Calvary Baptist Church. Under the direction of Jan Coffman, the students worked several days during their class period putting up and decorating many Christmas trees and lights. Thank you, students.
